## Memories to last a lifetime

We are an informal organization of individuals and families in the Wisconsin area who share an interest in Large Scale Trains and garden railroading. We meet nine or ten times a year, usually from 12:00 to 3:30 in the afternoon of the fourth Sunday of the month at members homes that have Railroads and at locations that have a Railroad theme. This can be indoors or outside for the summer months. This is done with a luncheon where everyone brings a dish to pass. Refreshments are provided by the WGRS. You may need to bring your own lawn chairs.

## Wisconsin Garden Railway Society

We the members of the  
Wisconsin Garden  
Railway Society in  
order to promote the  
hobby, build G-scale  
garden and indoor  
train layouts while  
running trains for all  
to see and enjoy.

## The advantages of being a member of WGRS

You don't need a Layout of your own and you can run trains at events that are not owned by you. This allows you to get some knowledge of model railroading. There can be someone there to help you get the feel of the hobby.

You get to know other modelers who can advise or help you. You are kept informed by our newsletter.

At the meeting there are members with helpful tips and items for sale.
